

Student Feedback on Teaching

Student Instructions to Access the Online Student Feedback Form via PAWS

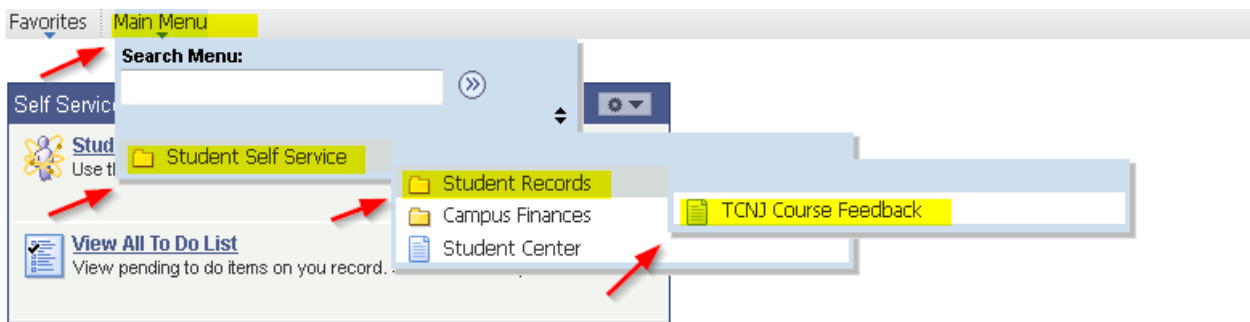

If you have any questions, comments, or concerns, please send an email to sfeedback@tcnj.edu.

Please check with each of your instructors as to whether you should complete the student feedback form during a class period or outside of class time.

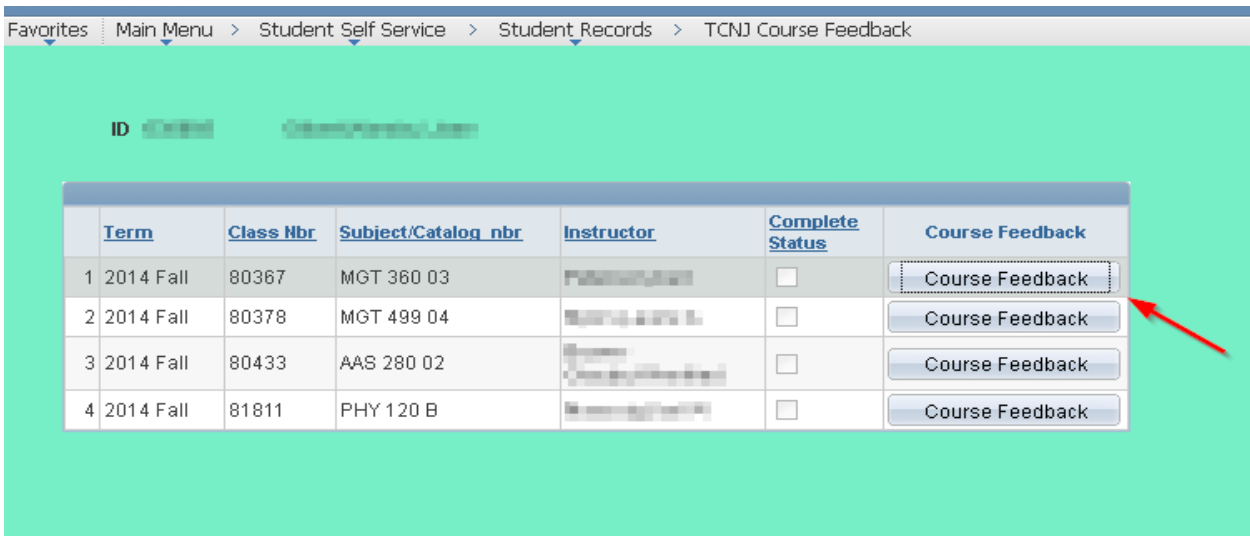

1. Log into PAWS.

In the toolbar above the blue Self Service box click on:

Main Menu > Student Self Service > Student Records > TCNJ Course Feedback

2. Once you click on TCNJ Course Feedback, you will see the course(s) that you are currently enrolled in. When you are ready to complete the student feedback form, click on the "Course Feedback" button next to the course.

- At the top of the screen you will see your PAWS ID, Name, Term, and the Information regarding the course. The Start/End Date is the window when the form will be open to students.

Please note: You must complete each course feedback form in one session. You cannot save your work and return at a later time. If you start and do not complete the form, you will need to redo your responses when you log in subsequently. You must complete all questions in order. If you skip a question, you will be prompted to complete the previous question before moving on. If an item does not apply to your particular instructor or course, or if you have no personal knowledge of a particular item, please respond 'Not Applicable' (N) rather than assigning an arbitrary number.

The Student Feedback Form/Evaluation consists of 4 sets of questions:

- Questions A-E regarding your relationship to the course (Multiple Choice - Required)
- Questions 1-16 regarding the instructor (Multiple Choice - Required)
- Questions 1-9 regarding the course content (Multiple Choice - Required)
- Questions 1-3 regarding all aspects of the course (Written Comments - Optional)
