DIPLOMA REQUEST FORM

In accordance with the Family Education Rights and Privacy Act, only the individual earning the diploma can request it.

If your original diploma has been damaged during mailing, return the original diploma to us within 90 days of receipt and a new diploma will be issued to you free of charge. Verify that the address you have on record with us is the correct mailing address.

Any other request for a replacement diploma, ordered more than 90 days after receipt of the original and/or not including the original diploma, must include a check or money order for \$20.00 made payable to The College of New Jersey.

You can expect your diploma to arrive approximately eight to ten weeks after your request has been received in The Office of Records and Registration. (Replacements are ordered at the end of each calendar month.)

Replacement diplomas can only be ordered in the name under which you attended the College.

College Certificates are only provided for completion of graduate Off-site Global programs. You must apply to the State for a State certificate or license.
