REPEAT OF COURSE NOTIFICATION FORM

Last Name: First Name: MI: PAWS ID:

Phone: TCNJ E-Mail: Major

Address: _____ Street _____ City _____ State _____ Zip Code _____

A student may repeat any course once without authorization. However, to take a course more than twice, permission *must* be obtained from the chair of the department in which the student is majoring *and* the chair of the department offering the course (*except* for courses described in the catalog as "*may be repeated*") with the "Repeat of Course Authorization Form." Students are encouraged to check their course history in PAWS to see if the course has already been indicated as a repeated course. If the course is indicated as a repeated course, the student's GPA would already reflect the new grade.

****This form must be filled out in order for the student's cumulative average to be adjusted using the highest grade once a course is repeated.** Note: Only the most current grade will count in the average of engineering majors.
