I understand that, with permission, I may take two graduate courses as an undergraduate student (or three if I am in the Special Ed, Deaf Ed, Urban Ed, or English five year program or five if I am in the Public Health 4+1 program*) and am hereby requesting permission to enroll in the graduate course(s) for under/graduate credit during the (check one):

Course Code Authorized at Graduate Level	Course Title

Any 3-credit TCNJ graduate courses counted toward a TCNJ undergraduate degree (whether double-counting toward a graduate degree or not) will count as 1 unit of undergraduate credit. Graduate course syllabi will specify that undergraduates taking the course for undergraduate credit will satisfy their fourth hour through the high level of reading and other work expected in the course.

Any grades earned in TCNJ graduate courses that are counted toward a TCNJ undergraduate degree will only be factored into the undergraduate GPA. When these courses are double-counted toward a TCNJ graduate degree, they will be listed as "T" on the graduate transcript, and the grade will not be factored into the graduate GPA.
